DECLARATION OF COMPLIANCE : PFAS

Per- and polyfluoroalkyl substances (PFAS), sometimes called "forever chemicals," is a group of thousands of substances widely used in many industries. Due to growing awareness of health and environmental concerns, PFAS are facing increasing scrutiny worldwide. In-force and proposed measures set restrictions or requirements on PFAS use in some jurisdictions, and due diligence may be necessary to meet legal obligations, ESG commitments, and/or business requirements.

To whom it may concern,

EPIGAP OSA Photonics GmbH certifies that none of all of our products contain any of the restricted PFAS substances above the limits. Furthermore products purchased from EPIGAP OSA Photonics GmbH do not release any health endangering substances under normal and reasonably foreseeable conditions of use.

In addition, we will immediately inform you about relevant changes of our products.

The information provided in this statement represents our knowledge and belief as of the date that it is provided. We base our knowledge and belief on information provided by third parties and make no representation or warranty as to the accuracy and shall have no liability for the consequences of use of such information.
